

The Carl E. Sanders Family YMCA at Buckhead presents....

Does your little one love to kick and dribble the soccer ball around? Maybe your little one has an older sibling or neighbor that plays and he/she is anxious to play too? Are you always told he/she is too young?

You can now give your little kicker the opportunity to "Learn to Play"! This program is an introduction to soccer where he/she can learn the basics: how to kick, how to dribble, how to start and stop the ball. Our qualified soccer coaches teach these skills by adding a twist of soccer to fun filled children's games. Not only will your child learn the basics of the game, he/she will also have the opportunity to play with other children and be part of a "team"!
